**Ed Sweeney** has performed nationally and internationally. Ed has performed in schools, clubs, tea houses, festivals, house concerts, theatres —, almost any venue imaginable. Ed has been featured on **NPR** and is currently heard on hundreds of radio stations and on-line networks. Ed's music is heard in the **Ken Burns** documentary *Not for Ourselves Alone: The Story of Elizabeth Cady Stanton & Susan B. Anthony* as well as various television soundtracks.

**Cathy Clasper-Torch** is one of the best-known multi-instrumentalist (Violin/fiddle, cello and erhu) musicians and singers in Southern New England. Cathy is adept with various musical styles including classical, jazz and folk which is why she is in constant demand to perform onstage with various ensembles. Cathy combines her love of all genres of music in her playing and improvising.
